ORDER

25.01.2024

(DHARAM CHAND CHAUDHARY, MEMBER (J))

MA 07/2024 and RA 01/2024.

The order dated 03.4.2023 passed in OA 25 of 2021 has been sought to be reviewed on condonation of delay. The delay of 291 days as occurred in filing review application stands satisfactorily explained and even not inordinate also. Therefore, the same is ordered to be condoned.

2. **However, coming to the merits of the Review Application,** we do not find any reason to interfere with the order sought to be reviewed. In our considered opinion, there is neither any mistake nor error apparent on the

face of the record or sufficient reason shown to take in its sweep a ground analogous to those specified in the statutory provisions warranting the review of the order that too when this Bench has allowed the Original Application after taking into consideration the given facts and circumstances and also the law laid down by the Hon'ble Supreme Court/ High Courts by way of various judicial pronouncement.

3. As a matter of fact, the Review Application under the garb of the review application want this Tribunal to re-hear the matter which is not legally permissible.

4. In view of the above, the application for condonation of delay is allowed, however, the review application being devoid of any merit is dismissed.
